2. TRAINING MATERIALS FOR FORT HOLABIRD: (See page 2, WAR #12, 25 March)

a. The thirty-two items of training material selected for release to Fort Holabird have been sanitized and the release memo typed. Before submitting the memo to DTR for signature, however, I have discussed the attachments with C/OS and plan to check them out with DDTR. [REDACTED] has already given his go-ahead on all DDP-originated items, and will co-ordinate release of the entire shipment following DTR's signature.

b. At the suggestion of DTR, I looked into the feasibility of releasing a retention copy of the Caching film to Fort Holabird. [REDACTED] told me that a copy could be made easily and that the cost is negligible. If C/SS/TR has no objection, [REDACTED] will arrange for a retention copy of the film to be turned over through us to [REDACTED] on 20 May, the next scheduled date for Fort Holabird to borrow a copy.
